

Ronnie the Rhino:

Our roving ambassador in Sweden

The club's first roving ambassador, Ronnie Rhino 1 is thoroughly enjoying his stay with his host parents Kurt and Barbro Bostroöm of Landskrone, Sweden. The Bostroöms are honorary members of the RCPE and regularly visit South Africa. Since January he has made his custodian Grant Adam, Rotary Club of Pretoria East very proud by raising funds for the club's service projects.

Ronnie is doing a sterling job and recently raised another R16 000 for the club. The money is earmarked for literacy projects.

Ronnie the Rhino is a soft grey toy fitted with a Rotary logo and a small backpack containing a memory stick outlining the club's most important fund raising projects. His ears are adorned with the Rotary "End Polio Now" badge and the "Peace" badge.
