

Beneficiaries of the Winter Blanket Drive

A very successful Blanket Drive held at The Grove Mall in May and the effort contributed greatly to the overall D9400 Blanket Drive.

Coupled with very good support for the advance sale of Blanket tickets by Club members, the RCPE raised R21 452.

With these funds, the club could afford to purchase 350 blankets which were collected from the Sesli factory in Johannesburg.

The blankets either have been distributed to several local communities via the following organisations:

- Danville / Wespoort – 60 Blankets distributed
- Winterveldt – 90 Blankets distributed
- Boschkop Primary School – 50 Blankets distributed
- Home for the Needy – 60 Blankets allocated and distributed on June 20
- Lesedi Self Help – 30 Blankets
- Pretoria North Impoverished Settlement – 60 Blankets
