

Distributing TOMS Shoes at Danville

Some of the recent shipment of 4 401 pairs of TOMS shoes have been distributed to Danville / Wespoort. A total of 233 pairs were delivered to the Centre by Connie where they were sorted according to size before being handed out to the fortunate recipients.

Thanks to Cornelia Raath-Lotter, RCPE Honorary member, for all her work in organizing the distribution of the TOMS Shoes shipments all around South Africa.
