

Valentine's Day in Danville

Connie Swart is involved in several projects focusing on the plight of the Danville inhabitants.

During February she invited club members to attend the handing over of Valentine presents at Morkel Street, Danville.

The Rotary Club Pretoria East approved the donation of R3,000 for the purchase of Valentine gifts for the ladies who contribute each week in making articles that are sold regularly at markets in aid of supplying their families with weekly food parcels.

Attending the handing-over of gifts to the volunteers at the Danville/Wespoort project were Connie, Ernie Sterne, Aiden Robertson and President Anastasia from RCPE.
