

Ten pin bowling challenge

For the second last meeting of December, the club offered members two choices – ten pin bowling or a Neil Diamond show. While the show was a great success with ample hits from the 70's that had everyone out their chairs cheering along, the ten pin bowling event was also a great idea and a resounding success.

Robin Jones was the outright champion having 3 strikes in a row. It looked as if he was playing a solo game.

Bernard was amazing. Two throws and all the pins were down. Anastasia applied some very successful and interesting snooker shots to her game!

Connie discovered she had a hidden talent for ten pin bowling and was going to take family members to play the game. Last but not least, Clive was a very competitive player and came second. They all went to the Spur afterwards for a Dejavu treat of hamburgers & chips! A really great evening had by all.

Meanwhile other club members were enjoying the last meeting of November by listening to Johan Liebenberg doing a wonderful tribute to Neil Diamond. This event was hosted by the Rotary Club of Pretoria Capital.
