
German exchange student returns home

Finja Sophie Lindner from Germany has thoroughly enjoyed her visit to South Africa as Rotary Club of Pretoria's (RCPE's) Short Term Exchange student.

Finja loved the Kruger National Park and Cape Town is definitely her favourite. She even learnt to speak Afrikaans! Finja was sponsored by the Rotary Club of Hassfurt, District 1950 and returned to Germany on the 1st of September.

Our sincere thanks go to her host family, Ilze and Bertus Prinsloo whose own daughter Lea, will depart for Germany in December 2016. Lea is the first short term exchange student of RCPE in many, many years.
