

Corporate Sponsorship

President Aiden handed over a CSI Certificate to Owen Maroleni to recognise him and his company, Delberg, which donated R10 000 to the club through their CSI initiative.

There are many projects in dire need of funding, so this kind donation will be considered very carefully. Firstly, the Rotaract Club as expressed by himself, secondly, the Home for the Needy and thirdly, Kutumela Molefe Primary School.

Owen has recently moved to Pretoria and we hope that we will soon be able to welcome him as a member at RCPE.
