

2017 Meerhof School Golf Fundraiser

The Annual Meerhof School Golf Fundraiser was held at Zwartkop Country Club on Monday 24 March. Club members were there in support – some during the day, some during the evening, while others managed to spend the entire day there. The golf competition was followed by a prize giving and dinner. As usual, the prize giving was run by Dale Hayes, who once again had the audience in stitches with his jokes.

But the day and the run up to it was not without its fair share of drama. We had a major scare with this year's Meerhof Golf Day, with the news that Allen Joss had had an unfortunate fall earlier in the week. Allen had an emergency operation to set his broken collarbone as well as a break in his right forearm. We were all very concerned about the Golf Day going ahead, but Allen surprised us all, continuing to make all of the final arrangements as well as joining us at the event and prize giving on the night. You are a brave man, Allen!

The final surprise of the night was when Joyce read out the winners of the whisky selection and the wheelbarrow booze raffle. Both were won by our RCPE members! Connie won the whiskey and Judy walked off the with wheel-barrow full of alcohol and chocolates.
