

EXCHANGING ROTARY CLUB BANNERS

President Robin exchanged banners with Marius Gappa, a German law student living in Pretoria for twelve weeks working as an intern at the German embassy in Groenkloof, Pretoria. Marius is an applicant to the New Generation Service Exchange and will be a guest of our club from the 20th of January to the 6th of April 2018. He is interested in international politics and international law.

Marius is being hosted by President Robin, as well as Rotarians Grant Adam and Zachel van Aswegen.

His first contact with Rotary was as a one-year exchange student to the United States in high school. Since then he has been connected to Rotary and in 2015 became an active member of the Rotaract Club Rheinland Hybrid.
