

TOMS SHOES

BRINGING HAPPINESS ALL ROUND TO THOSE IN NEED

This month we collected enough TOMS shoes for a long time – about 600 pairs in all sizes. This consignment was a generous gift via Annemarie Mostert of Sešego Cares.

Please recognize TOMS and Sešego Cares together with yourself as our partner. These shoes are a GIFT as part of the One-for-One giving programme of TOMS shoes.

The shoes will be divided up between various RCPE projects such a Grooming Boys, Home for the Needy and several others. These shoes will be greatly appreciated by all the fortunate recipients.

Eddie Smith from Grooming Boys could not believe his eyes. Just a few weeks ago, he told the club of his project to teach young boys life skills and provide support for their schooling.
