

Happy Faces Day Care Centre

The Rotary Club of Pretoria East recently received a request for assistance via the RCPE Facebook page. It came from the owner of the Happy Faces Day Care Centre in Soshanguve South.

The home provides shelter and nutrition to 28 toddlers and pre-school children between the ages of 3 months and 6 years. The Home is run by Helena Maponjane.

PP Aiden of RCPE was able to assist by collecting a selection of childrens' books and magazines, soaps and toiletries, hand towels and sheets as well as two boxes of toys from the Rotary Humanitarian Centre in Bedfordview. All the goods were passed on to the owner and her assistant.
