

World Polio Day 24 October

The 24th October was World Polio day and Rotary International this year celebrates its sixth drive to raise funds for Polio Plus. The Rotary Club of Pretoria East decided to celebrate this event for the fourth year running by having a Polio/Rotary awareness day and boerewors sale outside Die Wilgers Hospital.

President Jan, Rtn Clive, Lisa, Zachel, Aiden and Robin together with Anns, Rose and Edie manned the stall but our fundraising efforts were poorly supported. However, we all enjoyed the fellowship, sun and fresh air and were moderately successful in promoting Polio and Rotary.

The team with Ineke Jonker, marketing & communications co-ordinator at Die Wilgers Hospital, who has been very supportive of Rotary's needs for all the years.

A somewhat battered-looking RCPE Boerewors stall without the Polio banners and the "salesmen"
