

2019 BLANKET DRIVE

Spreading some winter cheer

Thanks to the generosity and efforts by the members of the Rotary Club of Pretoria East, we were able to bring some warm relief to the 'Gogo's' in Winterveldt as well as the young vulnerable children from the Home for the Needy in Lethabong.

Enough funds were raised to purchase some good quality blankets direct from the Sesli factory in Florida at a very good price. This purchasing arrangement was made possible thanks to the Rotary combined Blanket Drive Initiative.

A total of 74 blankets were purchased, collected and distributed toward the middle of June and fortunately well before the real winter weather arrived. Patrick and Clive delivered and distributed 48 blankets to the Winterveldt HIV/AIDS Care Centre and 26 blankets were handed over to the 22 children and 4 volunteer ladies at the Home for the Needy.

This initiative has been highly appreciated by the recipients as can be seen in the happy smiling faces of the Gogo's and the children from the H4N.

RS 180 was raised in this year's Blanket drive!
