

More Swedish gifts for Berakah

When our benefactors of the SOUNS project, Kurt and Barbro Bostrom, departed back to Sweden, they donated money for books at Berakah. Though the children can only read letters and simple words at this stage, by year end some of them will be reading simple books.

Inger Sundvall

Inger Sundvall, the Swedish team member who was unable to come to SA on the Friendship Exchange due to ill health, donated R1000. These funds were put to good use as well. The R1000 donated by Inger was used to purchase a sick bed stretcher and glue sticks.
