

SOUNDS WORKSHOP

RCPE held a SOUNDS workshop at the Magoebaskloof Hotel. Rotary and Peace Corps combined to bring together 35 Volunteers,

as well as 35 Grade R teachers from 35 schools in the Limpopo province. At the conclusion of the session 35 SOUNDS sets were handed over, for use in the schools where they will impact on the reading skills of upwards of 2500 school children from Grades R, 1 to 3 and in remedial classrooms. It was a truly rewarding day's work.
