

# BLOCKS-2-BLANKETS

## BLOCKS-2-BLANKETS

Rotary Ann, Marba Visagie, did a splendid job of sewing together almost one hundred colourful knitted squares that were provided by the Bronberg Retirement Village. She spent two weeks sewing the blocks into three cheerful blankets and crocheting a border around the edges. Jan and Marba brought the knitted blankets for distribution and also fetched some clothes for the two families in East Lynne and Hermanstad.

The previous round of blankets knitted by the Bronberg Retirement Village were taken to various children's homes. One Grade R class at the New Hope school were particularly pleased and sent the club various notes of thanks for the blankets they received.
