## Jerusalema Dance Challenge

RCPE joined the latest global dance frenzy by participating in our very own D9400 *Jerusalema* challenge. The infectious beat of SA Master KG's song *Jerusalema* has charted in over 10 countries and has inspired the world and D9400 to dance. So, we had a Picnic Fellowship at the Botanical Gardens in Pretoria on Sunday 27 September to celebrate Heritage Day and started practicing. Watch out in the next DG Newsletter for more details about this D9400 interclub *Jerusalema* challenge. So far, **RC Pretoria East** is up against **RC Pretoria West** and **RC Benoni Aurora**.
