

2020 Christmas Project

The new Christmas Project is rapidly gaining momentum.

Apart from the soft plush toys received from Ackermans (below), the ladies of the Bronberg Retirement Village are still knitting up a storm of woolly smiley figurines (right) as Christmas presents.

All creations and donations will be added to our Christmas present collection and distributed early in December areas where children in need of the comfort of a soft cuddly friend.

A special fellowship will be held to wrap the gifts.
