

# News on the Home for the Needy Project

**August 2022**

Every toddler at H4N received a beanie knitted or crocheted with love by the ladies from Bronberg Retirement Village

PP Robin and Edie Jones joined PP Aiden Robertson in a visit to the H4N, during which Robin presented Catherine and Lucky with a selection of children's story books, clothes and other helpful items. It was a very rewarding visit and so nice to have other Rotarians involved!
